- True day/night functionality and infrared illuminators capture detailed images in challenging lighting scenarios

IP Open Standards Box Cameras

- Resolutions ranging from standard to 5MPx can support almost any surveillance need
- Real-time video streaming with up to 1080p resolution delivers exceptionally detailed images (select models)
- H.264 compression with dual-streaming functionality accommodates multiple settings

PTZ CAMERA

Standard Features

- 1/3" Progressive Scan CMOS
- 2 MPX Full HD sensor
- Full HD 1080p Real-Time
- H.264 Advanced compression technology
- ONVIF/PSIA/CGI compliant
- Models inlcude 7 alarm inputs and 2 relay output
- 256 preset positions, 8 preset tours and 4 shadow tours
- 360° endless rotation
- 540°/s Pan Preset Speed and 400°/s Tilt Preset Speed
- Auto-flip image
- Intelligent tracking
- ROI encoding of a selected area in the image ROI encoding of a selected area in the image
- Built-in SDHC card slot
- For pendant mount
- Bracket is not included
- IP66 rated
- Compatible with GEA and UVP accessories

NVR 22 PLUS

Recording Capabilities

- Up to 64 HD cameras in real-time (30fps)
- 256/320Mbps for incoming streams
- Continuous, motion, event or scheduled recording modes
- Audio recording with capable IP cameras
- Watermarking for video authentication
- Up to 48TB of storage with front accessible hard disk storage
- RAID 0,1,5,10 support
- External hard drive (eSATA) support
- Local USB archiving

Installation and Operation

- Rack mountable – 2 RU
- Intuitive and logical user interface
- ezDDNS

NVR 10 SERIES

Recording Capabilities

- Up to 8 built-in PoE ports
- Plug-and-play camera installation
- Continuous, motion or scheduled recording modes
- Event recording
- Fully compatible with TruVision Navigator software
- Audio recording with capable IP cameras
- Redundant camera recording or independent storage groups for different durations
