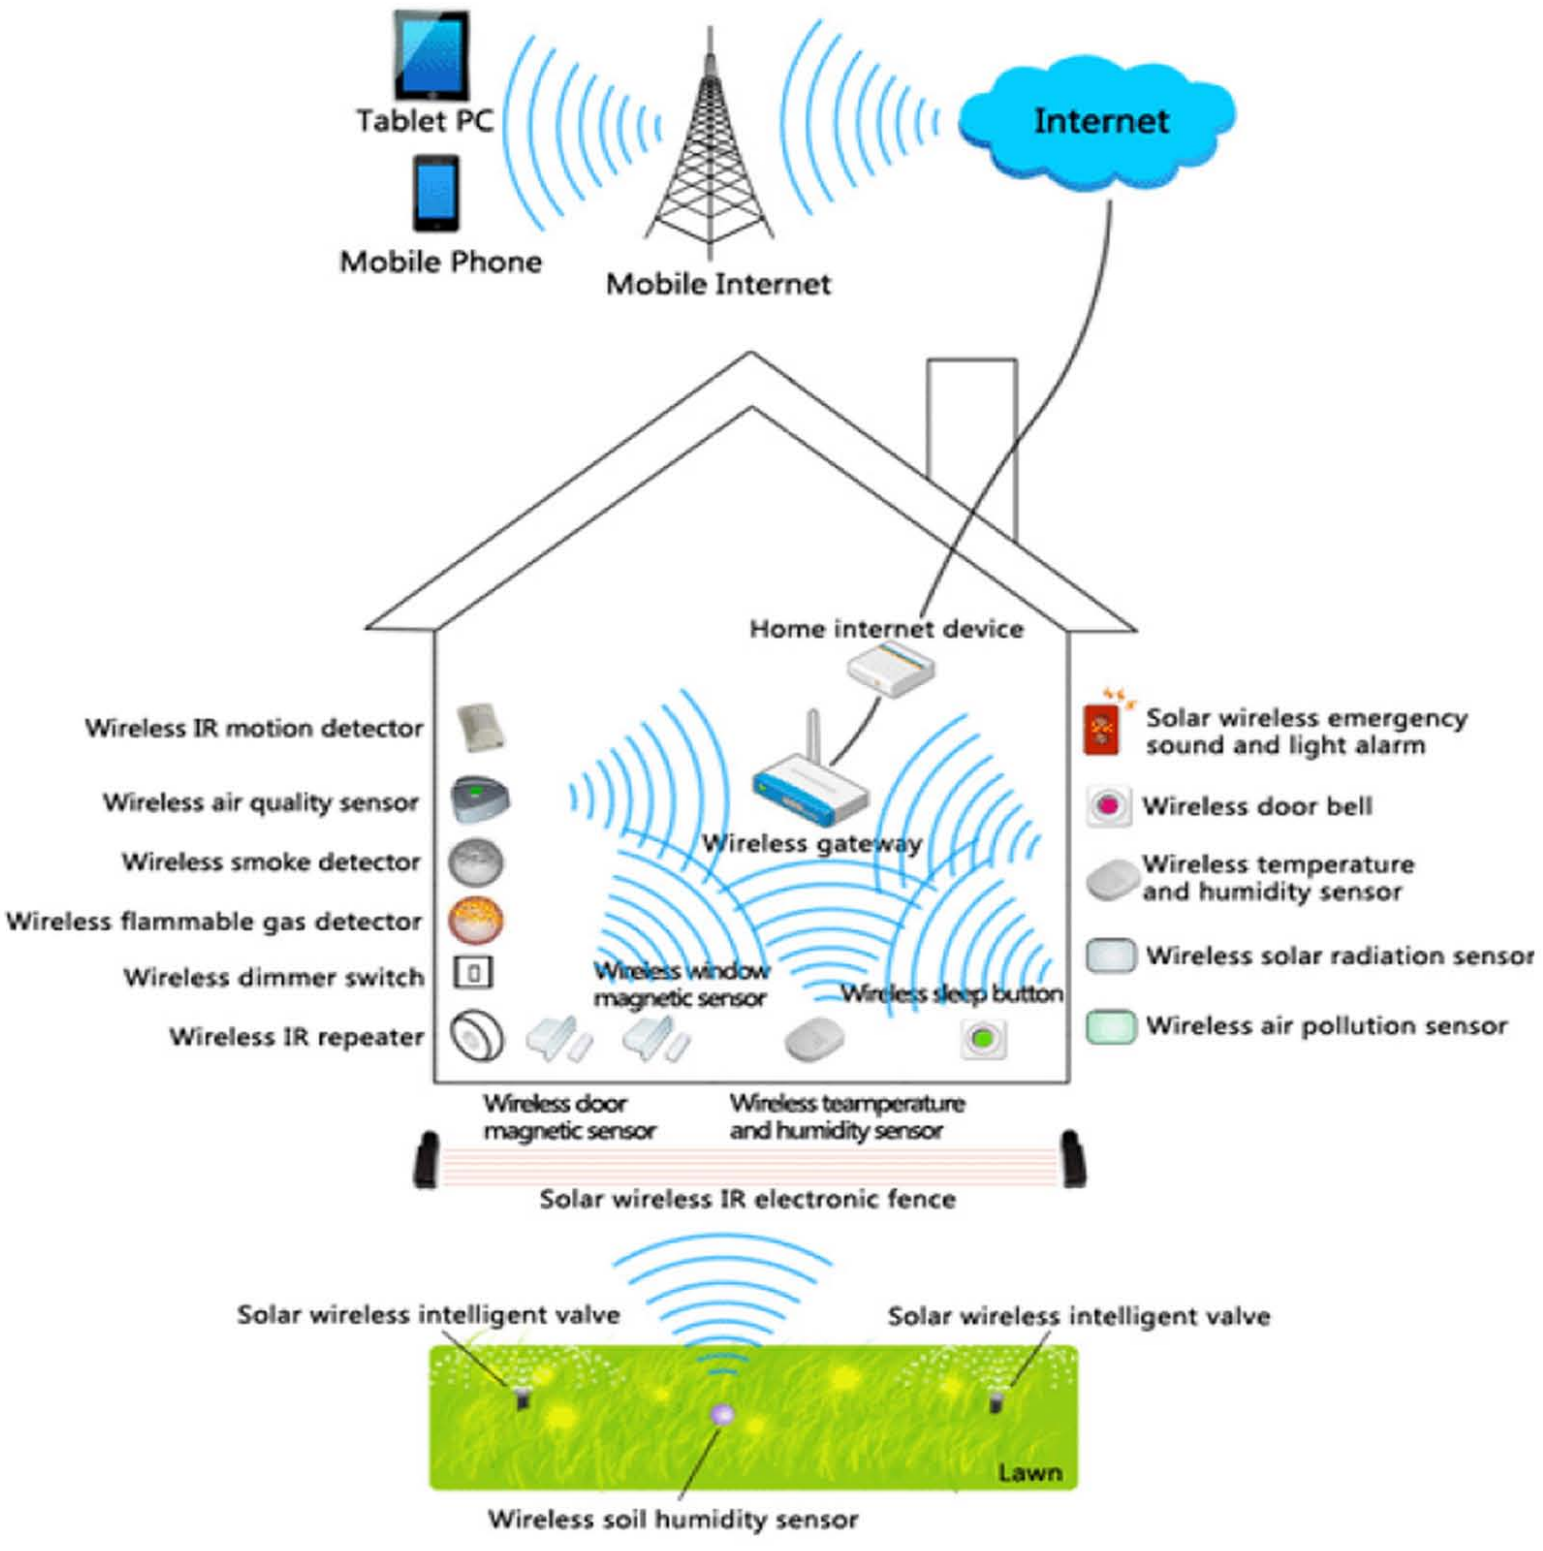
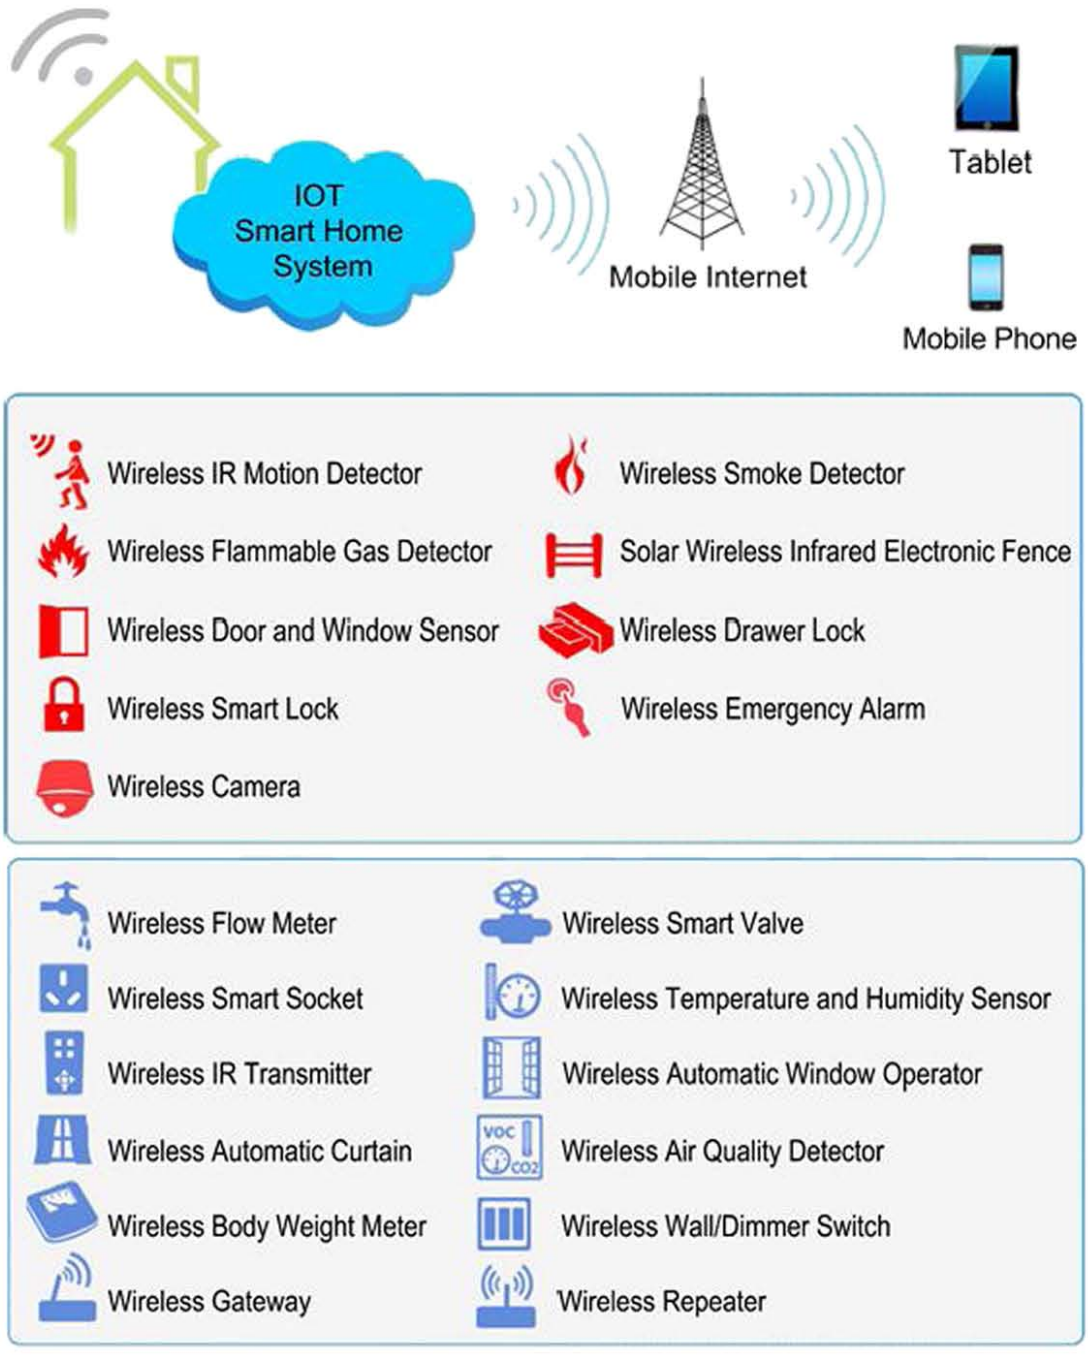
Now, your home gets comprehensive and 3D protection with Wulian ZigBee Wireless Security System. Put your house into your pocket and take it alongside wherever you go and you can know what happens in your house every moment remotely.

ZigBee Protocol Communication:



III. Logic framework of ZigBee smart home



Just assume how a thief breaks into a house before his burglary:

1. Break the lock

2. Climbing over the Wall

3. Pried off the window or glass

4. Open the safe or drawer
